

SNOOKER AS EXPLAINED TO A BEGINNER

*To win a game, you must win a frame
To win a frame, You must pot a red first.
When you have potted a red,
You must pot a colour.
When you have potted a colour,
You must pot a red.
When all the reds are potted,
You must pot all the colours.
When all the colours are potted.
That's the end of the frame,
But not the end of the*

GAME!!
