

The Champ

A young lad from Belfast came to our town last year
They all came to see him from far and near
He broke off with nineties, he knocked up a ton
There's no better player the other side of Brum.

The crowds were all laughing and suffering from shock
Norman Vaughan wasn't there but he still beat the clock
His four minute break of 104
Just proved to the visitors how fast he could score

He gets up too quick when he plays at the ball
But the amazing thing is, it still manages to fall
He's superb with the rest, his action is great
And his positional play shows he's got just the weight.

He can screw a ball maybe three feet of two
But I'm sure if he tried he could screw it to Crew.
He's played with a patch over one of his eyes
Chalked up ninety-seven and I'm telling no lies.

Now my dear reader if you haven't already guessed
The name of this chap is not Georgie Best
His name's Alex Higgins, he's always on form
Just go and see him and watch him perform.
