GROUP WINNERS

1. 2/4 winners from each group will advance to the final knock-out stages.
2. Matches won will first decide the winners.
3. If two or more players in any Group have an equal number of wins at the end of the Round Robin Stages, the following procedures will apply to determine the Pos of the qualifiers of that group:
 - a) If two or more players have an equal number of wins, the better or best will be the player with the best Frame Difference.
 - b) If still equal, the results of the matches between the players concerned will be the determinant for the winner between them.
 - c) If a tie is still involved, the best differential in the matches of the tied players will be the determinant.
 - d) If a tie is still involved total aggregate points from all matches are will determine the winner.
 - e) If the end result is still equal a one-frame play-off using frame scores shall determine the winner. A re-spotted black will be the final decider if needed.
