2. Matches won will first decide the winners.

b) If still equal, the results of the matches between the players concerned will be the determinant for the winner between them.	
c) If a tie is still involved, the best differential in the matches of the tied players will be the determinant.	
d) If a tie is still involved total aggregate points from all matches are will determine the winner.	
e) If the end result is still equal a one-frame play-off using frame scores shall determine the winner. A re-spotted black will be the final decider if needed.
