GROUP QUALIFIERS

1. Players in the top two or four positions in each group at the end of the Round Robin Stages will advance to the fnock-out stages.
2. Matches won will first decide the group positions . If two or more players in a Group have an equal number of matches won the following rules will apply to determine their positon in the group:-

a) If two or more players have an equal number of wins, the better or best will be the player with the best Frame Difference.

b) If still equal, the results of the matches between the players concerned will be the determinant for the winner between them.

c) If a tie is still involved, the best frame differential in the matches of the tied players will be the determinant.

e) If still a tie a one-frame play-off where only two players are involved in the tie . OR

f) if more than two players tie, a best of three re-spotted black knock-out will be played to decide those qualifying.
