

Join the West of England Billiards & Snooker Foundation volunteers and become a **Dementia Friend!**

The WEBSF is supporting Dementia Friends, an Alzheimer's Society initiative, to help people develop an understanding of dementia and turn it into action to support those who are affected by the condition.

Alzheimer's Society's Dementia Friends programme is the biggest ever initiative to change people's perceptions of dementia. It aims to transform the way the nation thinks, talks and acts about the condition.

By becoming a Dementia Friend you will find out the little things that you can do to help people affected by dementia. Everyday tasks that we often take for granted can be daunting for people living with dementia. To help, we are encouraging all of our members to become Dementia Friends to ensure that we're able to provide understanding and help to those living with dementia. A little patience and kindness can go a long way.

If you would like to become a Friend, it will just take around **10 minutes of your time**. You can become a Friend via the WEBSF by watching two videos available on the following link:

https://www.dementiafriends.org.uk/DF_WEBC_PartnerVideos?page=videos-for-organisations#.WWSLSGLyuUk

Please state our organisation code **Wes6879** as this will count towards the number of people becoming Dementia Friends through WEBSF. If you would like to receive a Dementia Friends badge after watching the online videos, please email websf_uk@yahoo.co.uk and provide your name and address and we will arrange to have this sent onto you.

Dementia Friends aims to create four million Dementia Friends by 2020 to help those affected by the condition live well for longer.

Please support this very worthy cause and become a Dementia Friend today.
